NEW FOR 2023

Discover the most delectable soft shade of flavor—Shallot by Le Creuset. Arriving April 18th.

A COLORFUL RANGE

For more than 90 years, Le Creuset has been a leader in bold, rich color—and an innovator in the most sought-after hues. With a breadth of colorful cookware, Le Creuset demonstrates its mastery of the spectrum across a range of finishes, lusters and materials.

ARTICHAUT
A soulful green with a vibrant heart, Artichaut is inspired by a vegetable so artful, its leaves are a mosaic waiting to flower. Revered in the kitchen, a verdant beauty from farm to table.

DEEP TEAL
A cool, luminous jewel tone, Deep Teal flirts with blue, with sensuous hints of green. Complementing darker palettes, contrasting lighter ones or basking in its own beauty.

LICORICE
There's a reason black never goes out of style. Licorice is our deepest matte version yet, sweetened with just a glimmer of sheen. It's day-to-night sophistication goes with everything and always looks amazing.

MERINGUE
Inspired by the French classic confection, beloved universally for its sweet simplicity. Meringue is a serene ivory, perfect to layer with soft tones or as a go-with-everything neutral.

CERISE
Inspired by the sensuality of hand-picked cherries, Cerise is as essential as red lipstick, as classic as a red rose, as luscious as a ripe tomato. Cerise adds depth to other fiery tones, speaking directly to a chef's heart.

NEW
SHALLOT
A hue so gentle, so refined, Shallot enhances anything it touches with grace, glamour and gloss. This whisper of color sweetens the air with a subtle, modern edge.

OYSTER
A lustrous mix of gray and brown with a seductive glint of purple. The mesmerizing iridescence of Oyster adds a luxurious touch, wherever it is placed, whatever treasure it holds.

WHITE
A beacon of pure light, White is the kitchen's chameleon—the brightest point on the color spectrum. A color that needs no introduction, yet perfectly presents all others.

MARSEILLE
Our most romantic blue of all. Inspired by France's oldest city, Marseille celebrates the finest of coastal cool. The vibrant sailor blues, deep to delicate in tone, evoke the colors of the Mediterranean and are perfect for any culinary delight you crave.

FLAME
Introduced in 1925, Flame is Le Creuset's trademark hue. As eternal as its name, it is our most iconic color of all. Aptly known as Volcanique in France, it is a glowing, confident orange ready to fire up your kitchen and appetite.

CARIBBEAN
A beach holiday in a stroke of blue, Caribbean is a sun-bleached splash of turquoise waters. Let it sing with other blues or join a chorus of joyful colors.

SEA SALT
A serenely beautiful tone inspired by the sea's most treasured mineral, Sea Salt is an elemental pinch of flavor ready to enrich any décor and enhance any taste with nuanced subtlety and style.

ENAMELED CAST IRON

As the world's first colorful cookware, Le Creuset enameled cast iron has been the visionary color and quality benchmark for almost a century—an essential tool for master chefs and home cooks alike. Individually crafted by French artisans from the finest quality materials since 1925, the iconic cookware is beloved for its perfected design and exceptional heat retention that produces superior results from stove to oven to table.

Use of Le Creuset Marks and Trade Dress; Use of Names, Logos, and Other Items; Restrictions and Distribution

- Subject to the licenses granted by Le Creuset in these Terms and Conditions and any Supplemental Terms, Customer acknowledges and agrees that:

  (a) any and all Le Creuset's intellectual property rights are the sole and exclusive property of Le Creuset or its licensors;

  (b) customer does not acquire under these Terms and Conditions and any Supplemental Terms any ownership interest in any of Le Creuset's intellectual property rights;

  (c) any goodwill derived from the use by Customer of Le Creuset's intellectual property rights inures to the benefit of Le Creuset or its licensors, as the case may be; and

  (d) if Customer acquires any intellectual property rights in or relating to any product or service purchased under these Terms and Conditions and any Supplemental Terms (including any rights in any trademarks, derivative works or patent improvements relating thereto and including any rights relating to, derived from or based on such products or services or Le Creuset's intellectual property rights), by operation of law, or otherwise, these rights are deemed and are hereby irrevocably assigned to Le Creuset or its licensors, as the case may be, without further action by either party.
- Subject to the limitations set forth in the next five succeeding sub-bullet points, Le Creuset agrees that the Customer has a limited, non-exclusive, terminable, revocable (at any time, with or without cause) license with respect to the Le Creuset Marks and Trade Dress to acquire Le Creuset Branded Products in Covered Sales, to resell such Le Creuset Branded Products in Authorized Re-Sales, and to distribute advertising materials supplied or authorized by Le Creuset (the "Limited License"). The scope of the Limited License expressly excludes any of the actions prohibited by the next two succeeding bullet points (and all such actions shall be outside such scope).
  - o As a material inducement to Le Creuset's willingness to supply products and services under these Terms and Conditions and the Supplemental Terms and to grant the Limited License above, the Customer agrees that by placing any order for such products and services, without the separate written approval of Le Creuset by a duly authorized officer of Le Creuset at the vice president level or above, the Customer will not and will not authorize others to:

  (a) display, use or include any Le Creuset Marks and Trade Dress in or on any advertisement, display, circular, document or sign by, in, through or on any medium or in any manner (including, without limitation, on or through the Internet, and "Worldwide Web Site" or other electronic or digital communication network, through radio or television broadcast, and/or in any print medium), without in each specific case, the prior written permission of Le Creuset, provided that the Customer may, subject to any instructions or terms set by Le Creuset, sell genuine Le Creuset Branded Products in Authorized Re-Sales and may display and distribute advertising materials supplied or authorized by Le Creuset;

  (b) advertise, offer for sale, sell or otherwise distribute any Le Creuset Branded Products on or through a Third Party Website without the separate written approval of Le Creuset, even if written permission is granted in accordance with paragraph (a) immediately above to allow advertising with Le Creuset Marks and Trade Dress;

  (c) advertise, offer for sale, sell or otherwise distribute any Le Creuset Branded Products other than in Authorized Re-Sales (and without limiting the foregoing the Customer will not advertise, offer for sale, sell or otherwise distribute any Le Creuset Branded Products to or through a third party that the Customer knows or reasonably should know intends to export, distribute or transport such Le Creuset Branded Products to a destination outside of the Covered Country);

(d) if Le Creuset agrees in writing that Authorized Re-Sales include sales by the Customer to retailers located (and taking delivery) in the Covered Country, then Customer shall obligate such retailers to make their re-sales only end-user customers in bona fide retail sales in the Covered Country for delivery to such end-user customers to a location in the Covered Country. Without limiting the foregoing, any re-sale by such third party retailer that does not comply with the foregoing sentence is not authorized by Le Creuset;

(e) other than from Le Creuset and its affiliates, acquire Le Creuset Branded Products in shipments from outside the Covered Country (including from a third party that the Customer knows or reasonably should know made shipments acquired from outside the Covered Country) for redistribution in the Covered Country;

(f) promote, market, sell, offer to sell, or distribute any Le Creuset Branded Products that have been acquired by Customer other than pursuant to Authorized Purchases.

- The Limited License does not allow Customer to use the designation "Authorized Dealer" (or any equivalent reference) or to use any Authorized Dealer mark or logo with respect to Le Creuset, Le Creuset Branded Products, or Le Creuset Marks and Trade Dress except and to the extent (a) such Customer is designated by Le Creuset as in writing as an "Authorized Dealer" and (b) permitted by the Authorized Dealer Policy or Authorized Dealer Agreement applicable to Customer.
- The Customer shall observe Le Creuset's instructions with respect to any uses included within the scope of the Limited License that Le Creuset issues to protect its brand and the goodwill with respect to the Le Creuset Marks and Trade Dress. Customer shall ensure that all Le Creuset Branded Products sold by Customer and all related quotations, specifications, displays, advertisements, and descriptive literature, and all other materials carrying any Le Creuset Marks and Trade Dress, are marked with the appropriate trademark notices in accordance with Le Creuset's instructions.
- Customer agrees that it will only resell or offer to resell the Le Creuset Branded Products that Customer then has in inventory or that are subject of orders from Le Creuset that have been accepted by Le Creuset as available for delivery to Customer, unless Customer has received prior written authorization from Le Creuset.
- Customer agrees that it will market, advertise, promote and resell the Le Creuset Branded Products only in Authorized Re-Sales consistent with good business practice that a reasonable dealer of premium brand consumer products would employ and in a manner that reflects favorably at all times on Le Creuset Branded Products and the good name, goodwill and reputation of Le Creuset and associated with the Le Creuset Marks and Trade Dress.

- Notwithstanding anything to the contrary in these Terms and Conditions or Supplemental Terms, neither Customer nor its representatives shall:

(a) make any representations, warranties, guarantees, indemnities, similar claims or other commitments ostensibly on behalf of Le Creuset or regarding the products or services purchased under these Terms and Conditions or Supplemental terms (though Customer may provide prospective to end-user customers in bona fide retail sales in the Covered Country the limited warranty included in the packages in which the products are supplied by Le Creuset and any other marketing materials Le Creuset provides to Customer for public distribution);

(b) engage in any unfair, competitive, misleading or deceptive practices respecting Le Creuset, Le Creuset Marks and Trade Dress or the Le Creuset Branded Products, including any product disparagement or "bait-and-switch" practices;

(c) separate any items sold, bundled or packaged as a single product by Le Creuset;

(d) promote, market, sell, offer to sell, or distribute any Le Creuset Branded Products other than products purchased by Customer in Authorized Purchases. Customer acknowledges and agrees that the Limited License and the term "Authorized Re-Sales" specifically do not include or cover sales of Le Creuset Branded Products that have been acquired in any manner or transactions other than Authorized Purchases;

(e) promote, market, sell, offer to sell, or distribute Le Creuset Branded Products using promotional information and material other than promotional information or material provided by Le Creuset for distribution to the public or authorized in writing by Le Creuset; or

(f) promote, market, sell, offer to sell, or distribute Le Creuset Branded Products other than Authorized Re-Sales (i) at any sites or points of sale, whether virtual (i.e. websites of the Customer that are not Third Party Sites) or physical that are designated by Customer in writing to Le Creuset and approved by Le Creuset prior to placing the order for such Le Creuset Branded Products or that are the location of delivery specified in such orders (the "Designated Sites") or (ii) in association with names, logos, or tradenames of Customer or others except for the names, logos and tradenames that are designated by Customer in writing to Le Creuset prior to placing the order for such Le Creuset Branded Products and approved by Le Creuset (which will not be unreasonably withheld) (the "Designated Names"). Customer has specified the Designated Sites and Designated Names that it will use in order to facilitate Le Creuset's ability to exercise its rights and in order for Le Creuset to protect the Le Creuset Marks and Trade Dress and the goodwill associated therewith.

- Customer does not have the permission or authorization to advertise, offer for sale, sell or otherwise distribute any Le Creuset Branded Products other than in accordance with the provisions in "Use of Le Creuset Marks and Trade Dress; Use of Names, Logos, and Other Items; Restrictions and Distribution" (and no license, express or implied, is granted with respect thereto). Customer acknowledges that these Terms and Conditions provide that Le Creuset has the sole discretion to refuse or reject orders. Without limiting the foregoing, Le Creuset may refuse or reject any order for Le Creuset Branded Products that it suspects will be exported outside the Covered Country or any order where it believes that the Customer has otherwise violated or is violating any other provisions in these Terms and Conditions or the Supplemental Terms.

- Customer shall not and shall not authorize anyone else to:

(a) take any action that may interfere with any of Le Creuset's rights in or to Le Creuset Marks and Trade Dress, including Le Creuset's or its affiliates' ownership or exercise thereof;

(b) challenge any right, title or interest of Le Creuset in or to Le Creuset Marks and Trade Dress;

(c) make any claim or take any action adverse to Le Creuset's ownership of Le Creuset Marks and Trade Dress;

(d) register or apply for registrations, anywhere in the world, for Le Creuset Marks and Trade Dress or any other Trademark that is similar to Le Creuset Marks or Trade Dress or that incorporates Le Creuset Marks and Trade Dress in whole or in confusingly similar part;

(e) use any name, logo or mark, anywhere, that is confusingly similar to Le Creuset Marks and Trade Dress;

(f) engage in any action that tends to disparage, dilute the value of, or reflect negatively on the Le Creuset Branded Products or any Le Creuset Marks and Trade Dress;

(g) misappropriate any of the Le Creuset Marks and Trade Dress for use as a domain name without prior written consent from Le Creuset;

(h) alter, obscure or remove any of Le Creuset Marks and Trade Dress or trademark or copyright notices or any other proprietary rights notices placed on the Le Creuset Branded Products or the marketing or other materials that Le Creuset may provide;

(i) without Le Creuset's prior written consent in Le Creuset's sole discretion (which consent shall be, if given, deemed to be a grant of a license included in the Limited License above) include in any internet domain names, meta tags, web addresses, web pages, website or URLs any Le Creuset Marks and Trade Dress, or any part thereof, including "Le Creuset" or any variation thereof; or

(j) acquire any Le Creuset Branded Products other than in Authorized Purchases.

- By placing an order for Le Creuset Branded Products, Customer agrees that it will be associated with the Le Creuset Marks and Trade Dress and, accordingly, it agrees that the restrictions contained in the immediately preceding bullet point of this section "Use of Le Creuset Marks and Trade Dress; Use of Names, Logos, and Other Items; Restrictions and Distribution" shall apply to all Le Creuset Branded Products acquired by Customer at any time during the period of time from the last order under these Terms and Conditions until thereafter and until the expiration of the applicable statute of limitations, provided that the foregoing shall not be deemed to authorize any activity that would violate any intellectual property rights of Le Creuset or its affiliates, whether before or after the expiration of such statute of limitations.

- Customer agrees that the arrangements contemplated by these Terms and Conditions and the Supplemental Terms do not create a franchise or business opportunity. Without limiting the foregoing, Customer acknowledges that it has not been provided with manuals or other information concerning the management or operations of its business and Le Creuset does not offer and is not obligated to provide any assistance with respect to Customer's business operations, such as, but not limited to sales, repair, or business training programs, site location assistance, management, marketing, or personnel advice, promotional support requiring Customer's participation or financial contribution, or operating advice such as by furnishing a detailed operating manual or mandating personnel or accounting policies or practices. If, for any reason, the arrangements described above or any term in such arrangements are deemed by any governmental authority or in any governmental order to create a franchise or business opportunity relationship, then Le Creuset may immediately terminate all outstanding orders, the arrangements described above shall be of no further effect (other than as to payments required as to shipments delivered), and no further orders may be placed by Customer under these Terms and Conditions.
