GC Buying Group Adds Members and Team Attends Dallas Market

Six retailers have joined GC Buying Group over the summer months. In spite of having no chance to meet at markets, GC was glad to welcome new store members from four states across the US. The joining retailers are happy to be part of the Group and are looking forward to future networking with other members and taking advantage of benefits the GC Group provides.

In addition, the GC Team took full advantage of their hometown market center by attending one day of the Summer Market at the DMC last week. The team was impressed with precautions taken by the DMC staff for ensuring the safety of buyers, exhibitors and reps attending the market. GC has moved to a new showroom in the Dallas Trade Mart, TM2242, and enjoyed meeting with store and vendor members in a socially distanced environment. Boxed lunches were served to members in the Showroom.

After visiting the DMC and the GC Showroom, Peter Caire from Caire Restaurant Supply in New Orleans commented, "I am really glad I had the opportunity to attend (and a) chance to explore what housewares has to offer (in Dallas). Home cooks are looking for high end items to keep them happy at home." Peter expressed appreciation, saying, "Thank you GC for the invite and the lunch."

The GC team visited a few vendors on Thursday and walked the show, as well as welcoming vendors to the new showroom.
