

DISNEYLAND DOLE WHIP COPYCAT

The iconic Dole Whip: made with pineapple, vanilla ice cream, and Disneyland magic.

INGREDIENTS

Prep Time: 5 minutes

Chill Time: 30-50 minutes

4 ounces pineapple juice
1 big scoop vanilla ice cream
(about 3/4 cup)
2 cups frozen pineapple
chunks
2 tablespoons sugar ,
optional but recommended
splash of lemon juice
pinch of salt

DIRECTIONS

1. Combine all the ingredients in a blender (in the order listed); blend until smooth and ultra creamy, pushing down the pineapple chunks if necessary, about 3 minutes.
2. At this point you can pour into dessert cups. But I like to freeze the mixture for 30-40 minutes, then transfer to a piping bag with a 1M "star" tip (to get that iconic Dole Whip swirl.)
3. Swirl into glasses. (To help the soft-serve hold its shape even longer, freeze the swirled whip another 20 minutes.)
